EXPERIENCE

Dennis Wilson joined WJE in 2019, bringing more than forty years of experience in the commercial roofing industry, including roof contracting, manufacturing, and consulting. Throughout his career, Mr. Wilson has focused on roof inspection, evaluation, observation, analysis, consultation, and preparation of project specific guide specifications for the design and contractor community.

Mr. Wilson's experience includes a significant accumulated knowledge in a variety of commercial and institutional roofing applications, such as self-adhered, fully adhered, mechanically attached, and built-up. He also has extensive knowledge of numerous roofing types and materials (e.g., TPO, EPDM, single-ply, SBS, PVC, coatings, and modified bitumen). He is also well-versed in roofing warranty resolution efforts.
